

Your weekend begins Thursday evening and ends Sunday afternoon. As a participant, you will spend three busy and enjoyable days in a Christian community based on love and service. The time is highly structured and designed to enrich your faith by taking a New Testament look at Christianity as a life-style. You will dig into scripture, be motivated by the life experiences of your peers, worship among friends, and rekindle your personal relationship with Jesus Christ. Discussions center on a series of talks given by both laity and clergy. Topics include God's grace, living grace-filled lives, faith, the sacraments, prayer, study, piety, gifts and fruits of the Holy Spirit, and how to be led by God's Spirit.

In today's world, can Christianity penetrate all areas of your secular life? Can you be ignited to transform your family, your community and your world in a way that is more fruitful than the past, yet in keeping with the times? Can God do a mighty work in your heart and life in just three days?

Those involved in Tres Arroyos firmly believe the answer is YES!! Won't you join us?

"Tres Arroyos has totally changed the way I look at the world and other people. I now have more love for those around me and am more forgiving in my relationships. Now I look forward to going to church and participating in our worship. My pastor has commented on the difference in me."
—Joan, Central Florida

"I can say that our church has not been the same since a number of our members went to Tres Arroyos. They returned full of love and excitement for worship and the Word of God. They have started meeting monthly to share their life in Christ and have become more involved in the life of our church."
—Pastor, Florida
